

Snow Wonderland Flims

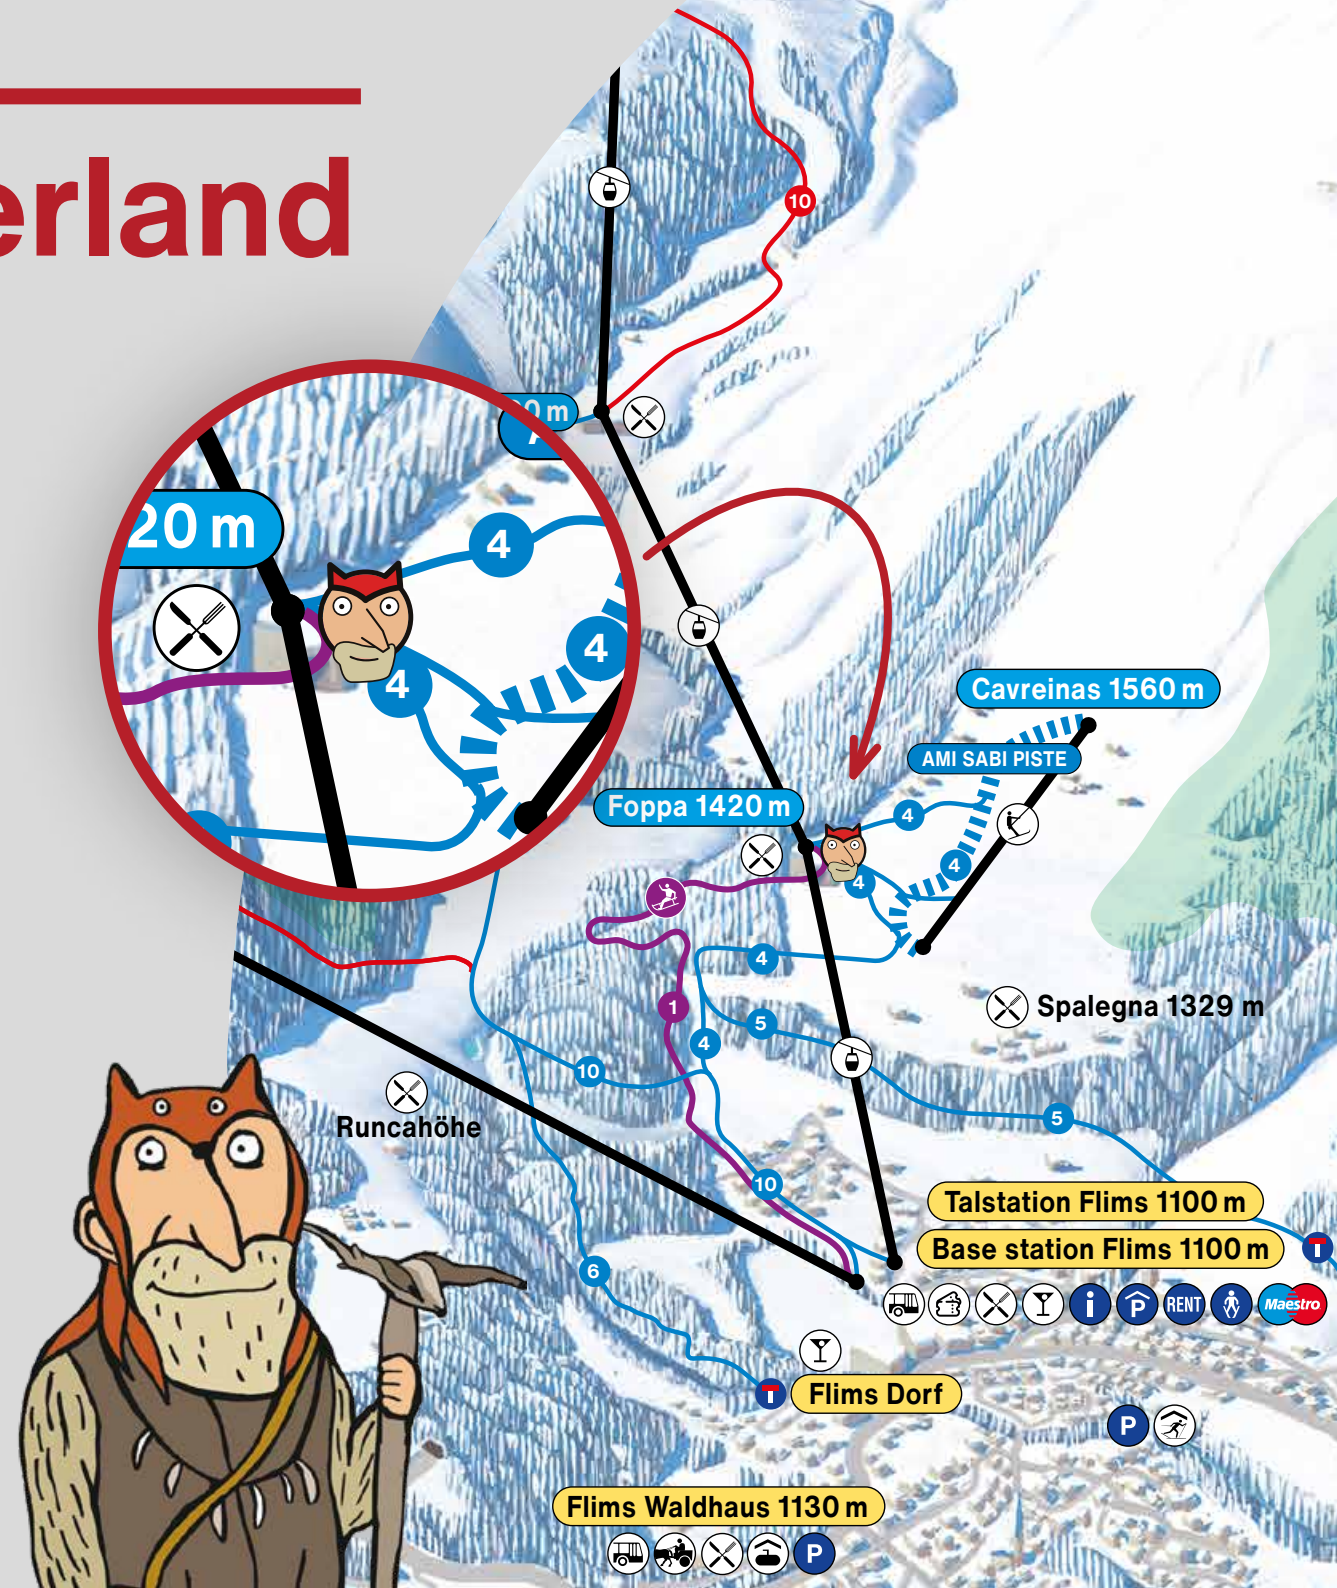

Dear Guests,

We are excited to introduce the new Snow Wonderland in Flims! Starting in the winter season 2024/2025, the Snow Wonderland will be located at Foppa, and the previous location at the Flims valley station will no longer be in operation.

On the next page, you will find the most important information about meeting points and times for group lessons, private lessons, and the snow kindergarten.

We wish all our guests a wonderful and relaxing stay in Flims Laax!
